

Statement of the Board of the FEQHA e.V. regarding the participation at the European Championship of American Quarter Horses FEQHA e.V. from August 7 –August 16, 2020.

Due to current events and reasons we may point out that the membership of the DQHA Deutsche Quarter Horse Association e.V. with the FEQHA e.V is still valid and not automatically terminated by the decision of the AQHA not to recognize the DQHA as affiliate anymore.

The Charter prescribes the exclusion from our association only for important and specially listed reasons which would have to be decided on in the context of an exclusion procedure by our membership meeting.

The main task of the FEQHA is to organize and carry out the European Championship. We hereby establish planning security for all persons being members in the DQHA e.V and fulfilling the conditions for a participation herein to be able to take part in the EC 2020 in Kreuth.

This fact will be explicitly pointed out in the tender and application.
